UTAH WATER CONSERVATION FORUM

Sponsorship Categories

\$1000 Platinum

The Platinum Sponsorship delivers the highest visibility possible and provides ample business exposure by marketing you as a top promotional partner. The combination packages included everything listed below. Your organization will be showcased during lunch, both breaks and at the tables located in the conference hall. As an additional thank you we'll include 2 complimentary full conference registrations to use for colleagues, partners, clients, and/or industry contacts.

\$500 Gold

The Gold Sponsorship provides sufficient exposure by aligning your brand with the conference as a promotional lunch partner. To show our thanks we'll include your business logo on our lunch signage and a special thank you (logo included) on each of the lunch tables; your logo will also appear on our event web site (linked to yours); finally, your logo will appear in our welcome slideshow that is schedule to play at the beginning of the event.

\$250 Silver

The Silver Sponsorship provides promotional exposure by aligning your brand with the conference as a break partner. To show our thanks we'll include your business logo on one of our two break session signage; your logo will also appear on our event web site (linked to yours); finally, your logo will appear in our welcome slideshow that is schedule to play at the beginning of the event.

\$100 Bronze

A Bronze Sponsorship offers a unique opportunity that places your company information right in front of the attendees. To show our thanks we'll place your company information at one of the guest tables located in the conference hall. As attendees arrive and choose their seat they will notice your generous contribution to the event; your logo will also appear on our event web site (linked to yours); finally, your logo will appear in our welcome slideshow that is schedule to play at the beginning of the event.

We truly appreciate your support!

www.utahwaterconservationforum.org

Dear Water Conservation Forum Supporter,

The Utah Water Conservation Forum has demonstrated a strong commitment to support water conservation efforts in the state of Utah. Given your organizations conservation efforts, we would like to invite you to partner with the Utah Water Conservation Forum as a sponsor of our Annual Spring Conference that will take place May 11 and 12, 2017 at the Jordan Valley Conservancy District Conservation Garden Park. Our Annual conference provides an opportunity for industry professionals to gain valuable knowledge from nationally known water efficiency experts.

By becoming a Sponsor, you will not only be supporting our conference, but also our mission and research efforts. In addition to organizing the Annual Conference the Forum supports local, state, and federal water agencies and professionals in sustaining a statewide water conservation movement. We accomplish this by increasing awareness and knowledge of the principle, methods, and research that promote water conservation and water-use efficiency.

I hope that you will consider partnering with the Utah Water Conservation Forum for this wonderful event in support of water conservation. Please review the attached page for more information about our sponsorship options. I look forward to speaking with you to discuss our proposal and will contact you in the upcoming week to see if we can further explore partnership opportunities.

Sincerely,

UWCF Executive Team

We truly appreciate your support!
