

Strategic Planning

Because let's face it...nobody else is going to get it done.

Step 1

Love and understand the people you are trying to change

Step 2

Have a clear and simple goal.

Step 3

Dream big. Set objectives that make you sweat.

Step 4

Deadlines are dapper.

Step 5

Create customized strategies that will influence the people you need to change.

Step 6

Track progress daily

Progress
Happens
In
Steps

Step 7

Evaluate your successes and lessons learned to make changes

Change the world
